

APPLICATION FOR IMPBA WORLD RECORD

NITRO

INSTRUCTIONS

(Rev. September 2021)

Please type or print legibly. It is recommended that this application be filled out in duplicate or copied should the original be lost by postal or courier services. It is the responsibility of both the sponsoring club officials and the contestant applying for a record to ensure this application is completely filled out prior to sending to the IMPBA Records Director. Failure to do so will automatically void this application. Review the application upon completion and fill out the following check-off list.

SPONSORING CLUB :

All lines have been completed on Page 2.

CONTESTANT :

All lines have been completed on Page 2 (additional comments optional).
Application has been signed.

TIMES WITNESSED :

There must be 2 different people to verify the time. Each timer or witness must record
The time he/she reads, plus sign and print their name and IMPBA # on page 3.

POWER SPECIFICATIONS :

There must be 2 different people inspect the engine(s) for Technical standards.
Each inspector must sign and print their name and IMPBA # on page 3.

HULL SPECIFICATIONS :

There must be 2 different people inspect the hull for technical standards.
