Rules for FE Classes & RTR

RTR Rules:
District 14 rules apply

1. 5 Lap Heats
2. Half course mill will be allowed after completing one full lap.
3. You may cut the course from buoy 6 to buoy 1 front stretch to the back stretch only.
4. You must yeild right of way to any boat that has the chute.
5. You may NOT cut into the course in the last 5 seconds of clock time.

FE Power Package Rules for P20, Q40, and 1/8 Scale racing

P20 Power Package Rules

The P20 package will be applied to any IMPBA B (Nitro) class boat hull. Be it Sport 20, B Tunnel, Mono, or Hydro etc. Classes can be combined or separated as needed. All FE races are 5 laps.

Power Source: 1 single pack or 2-4S packs in parallel or 2-2S lipo batteries in series. Fully charged pack(s) cannot to exceed 16.8 volts.

ESC: No restrictions

Motor: Motor cannot be modified, must be under 37x61mm and be from one of the following 4 manufacturers; SSS, Leopard, TP Power, Dynamite(from RTR UL-19) KV is optional (too low you'll be safe but short on RPM and too high creates lots of heat)

Prop: Prop cannot exceed 45mm in diameter. 2 or 3 blades.

Q40 Power Package Rules

The Q40 package will be applied to any D (nitro) class boat hull. Be it Sport 40, D Tunnel, D mono, D hydro etc. Classes can be combined or separated as needed. All FE races are 5 laps.

Power Source: 1 single pack or 2-6S packs in parallel or 2-3s lipo batteries in series. Fully charged pack(s) cannot exceed 25.2 volts.

ESC: No restrictions

Motor: Motor cannot be modified, must be under 41x93mm and be from one of the following 3 :manufacturers: SSS, Leopard, TP Power

Prop: Prop cannot exceed 50mm in diameter. 2 or 3 blades.

FE 1/8 Scale Rules

We will be following IMPBA rules.

Race starts will be using a 1 minute clock. Boats can enter the water at anytime during the first 30 seconds and must be moving continuously during the last 30seconds. All scoring and penalties will be applied as per IMPBA rules.
